

THE REIKETSU CASE

A collection of short reports by Elias Mercer

CASE STATUS	UNSOLVED
REPORTER	Elias Mercer • @EliasMercer1067
PERIOD	June 2022 — July 2023
KNOWN LINK	Reiketsu

These pages were assembled from notes and published reports. Several details remain unverified. The repeated appearance of the same name is the reason this file was kept open.

FILE NOTE

"Do not treat the four cases as separate until the evidence says otherwise."

THE ARX-7 DISAPPEARANCE

Elias Mercer — @EliasMercer1067 16 June 2022

The experimental ARX-7 Signal Receiver disappeared from a private technology collection on 14 June.

The device was secured after an evening exhibition. By morning, it was gone. No forced entry was reported.

A witness recalled an unidentified visitor showing unusual interest in the receiver shortly before closing.

Editor note: witness description remains unconfirmed.

STATUS

UNSOLVED

THE JADE LAMP

Elias Mercer — @EliasMercer1067 7 November 2022

The Jade Lamp, an experimental optical device, disappeared from the Ashcroft University Archive on 3 November.

There were no signs of forced entry. Someone had searched for photographs of the device online shortly before the theft.

The account responsible was deleted soon afterward.

Archive copy: original online account no longer available.

STATUS

UNSOLVED

THE ORPHEUS DRIVE

Elias Mercer — @EliasMercer1067 24 February 2023

The rare Orpheus Drive vanished from a private collection on 21 February.

The collector had recently published photographs of the prototype. Those images were later removed.

Archived discussions suggest someone had been researching the device before it disappeared.

Archive copy: original photographs were later removed.

THE HELIX KEY

Elias Mercer — @EliasMercer1067 10 July 2023

The prototype Helix Key disappeared from a private technology exhibition on 7 July.

It is now the fourth unusual artifact connected to this investigation.

Each object was researched before disappearing.

One name continues to appear around the cases:

Reiketsu.

Reporter note: the name appears again. No identity confirmed.

REPORTER'S LAST NOTE

FOUR OBJECTS. FOUR DISAPPEARANCES.

Elias Mercer — @EliasMercer1067

Four objects. Four disappearances.

Someone is watching these artifacts before they vanish.

I still don't know who they are.

But they know I'm looking.

PERSONAL FILE — NOT PUBLISHED

The name Reiketsu keeps returning. I don't know whether it belongs to a person, an account, or a name deliberately left behind. Until I can establish that, it stays in the file.
